2024

**ACCESS**  
CHURCH

# What will you do that will *outlive* you?

## 2023 was a banner year!

God has been so faithful. It has been the greatest joy to serve Jesus during this incredible season at Access Church.

When we started Access 17 years ago, we had no idea all that God had in store for us. When we look back, we are blown away by the goodness of God and the faithfulness of God's people. You bring us so much joy and encouragement. Together we are impacting Lakeland and changing the world for the glory of God.

### In 2023, your legacy giving:

- ▶ Bought a building in North Lakeland
- ▶ Started construction in the North Lakeland location
- ▶ Built churches in Kenya
- ▶ Started construction on a Triangle of Hope in Kenya (a church, medical clinic, and school)
- ▶ Constructed homes for widows in Central America
- ▶ Provided medical supplies and support in Mexico
- ▶ Paid major bills for people in financial distress in our church and city
- ▶ Sponsored Youth Camps in Fiji
- ▶ Gave Christmas presents to families
- ▶ Sponsored missions efforts around the world
- ▶ And so much more!

### Here's the best part! 2024 is going to be even greater!

As we start this year, we ask that you prayerfully consider what God would have you give through our legacy offerings this year. These offerings will help us accelerate the vision of helping people take the next step in their relationship with Jesus.

I hope you always connect the dots between your giving and life change, both here and around the world. Thank you for your irrational generosity!

## 5 Lanes of Generosity

LOCAL

NATIONAL

GLOBAL

NEXT GENERATION

EXPANSION

### Correctional Facility & Addiction Recovery Center Ministry

We have been invited to bring Access Church into the local correctional facilities and are working to also stream into addiction recovery centers.

### Van for CityServe

Every month, Access provides furniture, appliances, household supplies, and more to local families in need through our partnership with CityServe. A new delivery van will enable us to meet even more needs.

### 100 Beds for families in need

One of the greatest needs in our community is twin sized beds for families in distress. Our goal in 2024 is to provide 100 new twin sized beds to those hurting in our community.

## National

### Church Planting

We partner to launch churches through ARC (The Association of Related Churches) and CMN (Church Multiplication Network) throughout the country. We also sponsor any churches launching in Florida.

## Global

### Triangle of Hope

Access is completing a Triangle of Hope in Kenya, which consists of a large church, medical facility, and school. These three buildings will meet spiritual, educational, and medical needs for generations to come.

**2023** Legacy Giving

**\$422,388<sup>35</sup>**

**2024** Legacy Goal

**\$750,000**

## Next Generation

### Access College

A fully accredited college for those wanting to lead in ministry.

**Expected launch - Fall 2026.**

## Expansion

**Launching North Lakeland location on *Sunday, August 25***

### Future Locations

As God continues to grow our church, our desire is to bring a life-giving, Access Church location to our areas of influence.

### Online Access Church Location

Every week, hundreds of people join us for church online. As we grow, we want to do whatever it takes to bring church to people wherever they are.
